# The Working Owner pathway

**Population Science Management (PSM)** offers individuals the opportunity to become Working Owners and to get paid by contributing marketable electronic data to PSM's core business.

As a Working Owner you may be eligible for employer-sponsored group health coverage through GigCare, where you'll have access to affordable plan options offered by trusted national networks.

## What is a Working Owner?

Individuals join PSM by completing a Joinder Agreement, becoming fractional equity owners under PSM's subsidiaries' Operating Agreements.

***This ownership carries no financial risk but provides benefits like:***

Compensation per completed survey

Limited partner ownership interest in the data business, with the ability to contribute and benefit from the partnership's operations.

Eligibility to participate in GigCare group health plans

## What is GigCare?

GigCare is PSM's health benefits solution for Working Owners. When you join PSM and become a Working Owner, GigCare provides access to employer-sponsored group health plans through trusted national networks.

## How do you qualify for GigCare?

Become a Working Owner with PSM. Contribute meaningful data insights through PSM's secure digital platform.

**1** Join PSM as a Working Owner  
*accept terms and complete periodic tasks in the app*

**2** Stay active and in good standing  
*(maintain active participation in the partnership to continue as a Working Owner)*

PSM's GigCare plan provides the very best services to ensure your experience exceeds your expectations. Our offerings include an extensive array of physician and ancillary networks, pharmacy benefit management, diabetes management, telehealth and in-home services. We work hard to keep your health care costs under control while providing you with the very best coverage options available.

# VIRTUAL CARE

**MyLiveDoc**

Your health, your time

Powered by BowTie

Your health matters – and getting care should be easy, convenient, and stress-free. With MyLiveDoc, you can connect with trusted providers anytime, anywhere – right from your phone, tablet, or computer.

## What's included

### Primary care\*

- Care for everyday health needs, from check-ups to ongoing conditions
- Available during normal office hours: Monday–Friday, 8 a.m. – 8 p.m. Eastern time

### Urgent care *unlimited*

- Get care 24/7 for sudden issues like flu, infections, allergies, and more
- No appointment needed – talk to a provider right away!

### Mental health crisis support (*triage only*)\*

- 24/7 confidential support for stress, anxiety, depression, or other concerns
- Designed for short-term triage, not therapy.

## How it works

1. Call MyLiveDoc at 855-226-6567
2. Select the prompt to connect with BowTie
3. Talk to a nurse, no waiting rooms
4. If a provider is needed, the nurse will schedule a time for a provider to call you back by phone or Zoom

\*Visit limits and exclusions apply — refer to your plan's Summary of Benefits and Coverage for more details. MyLiveDoc is not for emergencies. If you are experiencing a life-threatening situation, call 911 or go to the nearest emergency room.

\*The mental health benefit is limited and is intended for crisis intervention only — not ongoing mental health counseling. For ongoing counseling or therapy, contact your local provider network or explore community-based mental health resources.

# Prescription access assistance

ScriptAide is the exclusive Pharmaceutical Advocate for Detego Health LLC®. Our team helps members get the brand-name medications they need at lower costs through two programs: the Patient Importation Program (PIP) and the Self-Pay Importation Program (SPIP). Call to see if you qualify.

## Patient Importation Program (PIP)

- Imports prescriptions from Canadian pharmacies
- Savings up to 70%
- No copay for qualifying prescriptions
- Requires a valid prescription

## Self-Pay Importation Program (SPIP)

- For medications not covered by your plan
- Members pay at a discounted rate
- Save 40–45% compared to U.S. pharmacy prices
- Requires a valid prescription

*Access prescribed medications at lower costs*

*Save on brand-name prescriptions*

*Find options for medications not covered by your plan*

## Did you know?

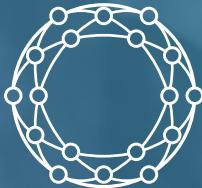

Our Pharmaceutical Advocates **will reach out to members about high-cost medications** to help you save money.

## How it works

1. Contact ScriptAide by phone or email
2. Our team researches ways to reduce your costs
3. We help you enroll in PIP or SPIP (*if eligible*)
