

Welcome to Population Science Management!

Population Science Management harnesses the power of data analytics, epidemiology and public health to optimize healthcare delivery, ensuring that Members receive tailored interventions that address their unique needs. Our mission is to harness the power of population science to deliver precision healthcare solutions that empower and enrich lives, and we are excited to welcome Licensed Health Agents on this journey with us to become PSM Recruiter!

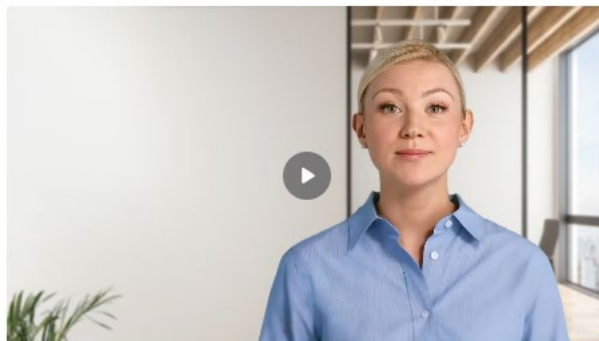

To begin the process to become a PSM Recruiter please click on the following link:
<https://populationsciencemanagement.com/recruiters/> and follow these steps:

1. Please watch the instructional video regarding how to qualify to become a certified recruiter:

Recruiters' Tool Kit

Qualify to Become a Certified Recruiter

Licensed Health Agents from across the nation can become Recruiters for PSM. Simply watch the videos below to learn about the program, take the certification exam and receive a passing score. Once approved, Recruiters can begin the search for Consumer Data Respondents.

Recruiter Training

Please watch this video before taking the Recruiter Certification Exam

2. After you've watched the video, please scroll down the screen and select "Start Your Certification":

Recruiter Certification

To start your certification exam, click on the link below. Potential Recruiters may take the exam more than once in order to receive a qualifying score.

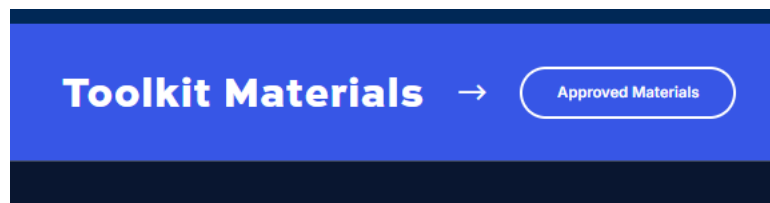

Start Your Certification

3. Congratulations! After successfully completing your exam, you will receive this “Certificate of Achievement”. **Please note the highlighted ToolKit password:**

4. Scroll further down the screen to access and review your ToolKit Materials using the password from the bottom of your “Certificate of Achievement”:

If you have any questions, please call us at **(866) 278-2420** or e-mail us at **info@populationsciencemanagement.com**.

Thank you and we look forward to working with you!
