| Important Questions   | In- Network  |                   | Out- of-Network       |                   | Why This Matters:  |
|---|--|-------------------|-----------------------|-------------------|--|
| Plan Name   | Livelihood 3350 PPO  |                   |                       |                   | The Plan Name identifies the specific plan type and its associated benefits, coverage, and cost-sharing arrangements.  |
| What is the overall deductible?                             | Individual: \$ 3,350   | Family: \$ 6,700  | Individual: \$ 6,700  | Family: \$ 13,400 | This is the amount you must pay out-of-pocket for covered services before your insurance plan starts to contribute to the costs.   |
| What is the out-of-pocket limit for this plan?              | Individual: \$ 10,000  | Family: \$ 20,000 | Individual: \$ 20,000 | Family: \$ 40,000 | An out-of-pocket maximum in health insurance is the maximum amount you'll pay for covered healthcare services in a plan year.  |
| Coinsurance   | 20% / 80%  |                   | 50% / 50%             |                   | This is the percentage of the cost for a covered service that you, the insured, pay after you have met your deductible. The plan pays the difference. Example Only: 20% is member responsibility, 80% is plan responsibility.  |
| Plan Type   | Preferred Provider Organization (PPO)  |                   |                       |                   | A health insurance plan type defines the structure of how your health insurance works, including how you access care, what costs are covered, and how much you pay out-of-pocket.  |
| Additional Plan Information                                 |  |                   |                       |                   |  |
| Network   | Aetna  |                   |                       |                   | The network refers to a group of healthcare providers, such as doctors, hospitals, and pharmacies, that have contracted with an insurance company to provide services at discounted rates to the company's members.  |
| Pharmacy Benefit Manager                                    | Kroger   |                   |                       |                   | Pharmacy Benefit Manager (PBM) is a company that manages prescription drug benefits for health insurers, employers, and other payers.  |
| Telemedicine Platform / Services                            | MyLiveDoc  |                   |                       |                   | A telemedicine platform is a technology system that facilitates remote medical consultations, typically through video conferencing, while ensuring patient privacy, security, and data compliance.   |
| Are there services covered before you meet your deductible? | Yes. Preventive care services, office visits, & urgent care are covered before you meet your deductible. |                   |                       |                   | This plan covers some items and services even if you haven't met your deductible. A copayment or coinsurance may apply. For example: this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> |
| Are there other deductibles for specific services?          | No   |                   |                       |                   | You do not have to meet your deductible for specific services.   |
| What is not included in the out-of-pocket limit?            | Premiums, pre-certification penalties, balance billed charges, & health care this plan does not cover.   |                   |                       |                   | Even though you pay these out-of-pocket expenses, they do not count toward the out-of-pocket limit.  |
| Will you pay less if you use a network provider?            | Yes  |                   |                       |                   | If you use an in-network provider, you will pay less. If you use an out-of-network provider, you will pay more.  |
| Do you need a referral to see a specialist?                 | No   |                   |                       |                   | A referral to a specialist is a recommendation or direction from a primary care physician (PCP) or another healthcare provider to see a specialist who has expertise in a specific area of medicine.   |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.

**PRA Disclosure Statement:** According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is **0938-1146**. The time required to complete this information collection is estimated to average **0.08** hours per response, including the time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection. If you have comments concerning the accuracy of the time estimate(s) or suggestions for improving this form, please write to: CMS, 7500 Security Boulevard, Attn: PRA Reports Clearance Officer, Mail Stop C4-26-05, Baltimore, Maryland 21244-1850.

**About these Coverage Examples:**

**This is not a cost estimator.** Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost-sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and [excluded services](#) under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.

The [plan](#) would be responsible for the other costs of these EXAMPLE covered services.
